WATER COOLERS, BOTTLE FILLING STATIONS AND DRINKING FOUNTAINS

Elkay is sure to have a water cooler, bottle filling station or drinking fountain that will meet or exceed your specifications. Select from a wide variety of coolers, bottle filling stations and fountains that meet adult or child ADA standards, as well as coolers that offer the added assurance of our WaterSentry® Filter Systems.

A recent addition is our new EZH20™ Bottle Filling Station. This new, innovative product line continues our commitment to delivering clean water and sustainable design. It provides a rapid fill of drinking water to quench thirst and minimize plastic bottle waste in the environment. Elkay offers the ideal cooler, fountain and bottle filling station for medical facilities, schools and universities, office buildings, airports, shopping malls, sports arenas and other high-traffic venues, for both indoor and outdoor installations.

At Elkay, we are always looking for ways to make great products even better. Superior quality and popular features combine with a vast array of available options, allowing our customers to find the perfect water cooler, drinking fountain or bottle filling station for any application.

- Elkay water coolers, bottle filling stations, drinking fountains and remote chillers are certified to NSF/ANSI 61 and 372.
- Elkay coolers, bottle filling stations and fountains are manufactured with a waterway system utilizing completely lead-free material.
- Flexi-Guard® safety bubbler features contemporary styling and a special anti-microbial agent that is infused into the bubbler, for an extra level of security.
- Most Elkay electric water coolers are listed by Underwriters Laboratories Inc. and comply with both Canadian and U.S. requirements.
- Designed to meet A.R.I. standard 1010.
- The Elkay Savanna, Illinois plant is ISO 9001 registered.

Color Options

Stainless Steel
(Cabinet) (S)

White Granite
Composite (R)

This symbol means model is ADA compliant when properly installed. See specification sheet for details.

Special Electrical Requirements

Some models are available for use with 220-240 voltage. Consult with Elkay Customer Service when ordering to specify frequency.
50H, add\$50.00
60H, add\$90.00

NOTE: Minimum 40 psi supply line pressure required in special circumstances when both sides of a bi-level model are in use simultaneously, to ensure adequate stream height. Use of a water filter in this situation is not recommended. Does not apply to non-refrigerated units.

COMMERCIAL SINKS

LR1716C

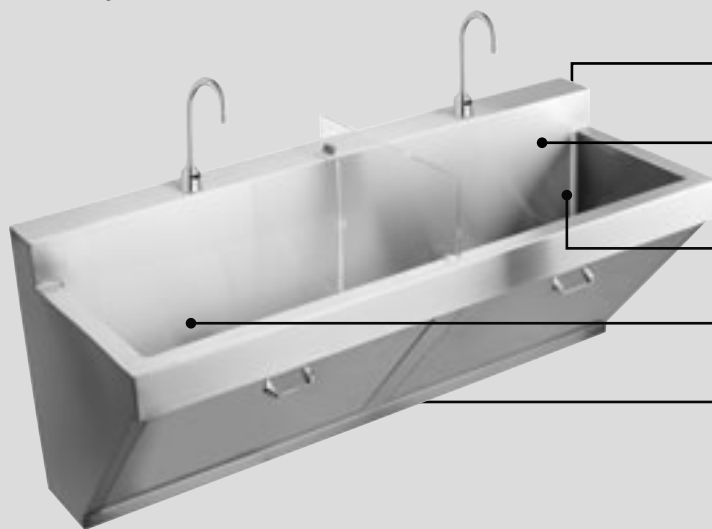

The name Elkay is synonymous with commercial-grade stainless steel sinks. After all, we've been manufacturing quality stainless steel sinks for over 90 years. And over those years, our engineering and manufacturing methods have continued to evolve, and have continued to set the industry standard.

From our foodservice and utility sinks, to our lavatory, scrub and hand wash models, Elkay's ongoing commitment to superior quality, styling and functionality is evident. Nearly a century of experience at forming, welding, trimming and polishing goes into every sink we make. The breadth of our line allows you to select from features, sizes and gauges based on your specific applications and needs. In addition, Elkay stainless steel finishes provide superior bacterial cleanability and are easy to sanitize when compared to other sink materials.

From healthcare facilities, schools and stadiums... to restaurants, airports and office buildings, Elkay has the ideal sink for all of the required applications throughout public and professional facilities:

- Foodservice
- Lavatory
- Scrub and hand wash
- Service and utility
- Classroom
- General use
- Custom

The Elkay Difference

Furnished with wall hanger and support brackets for easier installation

Uniform satin finish on exposed surfaces enhances the sinks appearance, provides superior cleanability and makes sanitation easy

Coved corners provide a stylish look and are more hygienic

High quality, type 304 stainless steel won't crack, chip or peel, and ensures long-lasting durability

Sound deadening for quiet operation

Note: Most Elkay commercial stainless steel sinks include the above features and benefits (see specific descriptions to each sink family throughout this catalog). **All sink models can also be ordered with an Elkay faucet.**

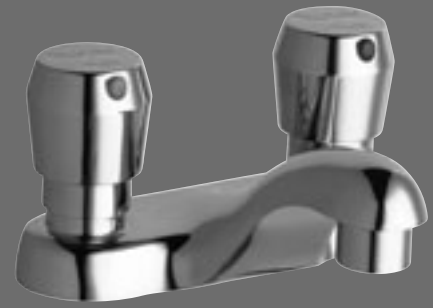

This symbol means model is ADA compliant when properly installed. See specification sheet for details.

products

COMMERCIAL FAUCETS

LK656

From healthcare facilities and schools... to restaurants and office buildings, Elkay has the ideal faucet for every application.

- Foodservice
- Scrub and hand wash
- Classroom
- Lavatory
- Service and utility
- General use

The Elkay Difference

Interchangeable spouts are available in a wide array of styles and sizes to help create the right faucet for any application

Interchangeable handle options meet ADA requirements and are offered in wristblade and lever styles

2.2 GPM vandal-resistant aerator standard with 1.5 and .5 GPM inserts and key included for low-flow specified applications

Ceramic disk cartridge technology provides long-lasting, superior performance and ease-of-operation

Durable polished chrome finish endures heavy-use environments and looks attractive in any setting

Solid brass construction throughout ensures years of service and *NSF/ANSI 61 compliance*

EZH20™ In-Wall Recessed Bottle Filling Stations with Architectural Fountains

- Ideal for hospitality, healthcare facilities and office complexes
- Paired with choice of a SwirlFlo® GRN or Soft Sides® refrigerated fountain
- SwirlFlo® GRN features the StreamSaver™ bubbler and high-efficiency water chiller which operates over 55% more energy efficient than market average performance
- Quick fill rate is 1.1 GPM
- Electronic sensor provides touchless, sanitary operation; just place and fill
- Automatic 20-second shut-off timer
- Integrated silver ion anti-microbial protection against mold and mildew
- Optional WaterSentry® Plus 3000-gallon capacity filter (certified to NSF 42 & 53 for lead, chlorine, Class I particulate, taste and odor reduction)
- Visual user interface display includes:
 - Innovative Green Ticker™ counting the quantity of plastic water bottles saved from waste
 - LED filter monitor indicating when replacement is necessary (filtered models only)
- Includes mounting frames for quick and simple installation
- Hinged door for easy servicing
- Rated for indoor service

Bowl Depth: 6"

† The use of CuVerro antimicrobial copper surfaces is a supplement to and not a substitute for standard infection control practices; users must continue to follow all current infection control practices, including those practices related to cleaning and disinfection of environmental surfaces. CuVerro antimicrobial copper has been shown to reduce microbial contamination, but it does not necessarily prevent cross-contamination.

†† Testing demonstrates effective antibacterial activity against Methicillin-Resistant Staphylococcus aureus, Staphylococcus aureus, Enterobacter aerogenes, Pseudomonas aeruginosa, and E. coli O157:H7.

General Use Sinks Undermount, Double Bowl

- 18 gauge, type 304 nickel bearing stainless steel
- Exposed surfaces are hand blended to a lustrous highlighted satin finish (ELUH models), lustrous satin finish (ELU models)
- Heavy duty Sound Guard® undercoating
- 3½" drain opening (unless otherwise specified)
- Perfect Drain™ seamless design eliminates the gap around the drain

- For triple bowl sinks with offset center drain
- For sink models CMR4322, EFU402010, ELUH3920, ELUH4020, ILGR6022, LCR4322, LGR4322 and PSMR4322

INSTALLATION ACCESSORIES

LK350**\$30.00*****LK352****\$71.00***

- Special head design to fit installation screws
- Extra long shank

LK350

Set of 3 LK350 screwdrivers conveniently packaged

LK363**\$15.00***

- Set of 14 extra long screws and clips
- For top mount installation of U-channel models
- For countertops up to 1½" thick

LK364**\$14.00***

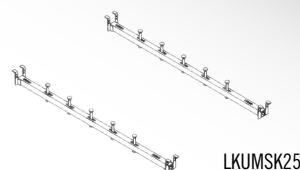

- Set of 14 extra long screws
- For top mount installation of U-channel models
- For countertops up to 1½" thick

LK463**\$31.00***

- 3 sets of 14 hex head screws, 28 hex nuts and 1 set of clips
- Top mount installation of U-channel models
- For countertops up to 2½" thick

LKUCLIP8**\$21.00***

- Set of 8 undermount clips
- Designed to attach undermount sinks to a solid surface countertop
- Single bowl sinks require a minimum of 1 package
- Double bowl sinks require a minimum of 2 packages
- Triple bowl sinks require a minimum of 3 packages

LKUMSK25**\$80.00*****LKUMSK36****\$91.00***

- Undermount support kit can be cut to the desired length as required
- Designed to support sinks from the cabinet walls

LKUMSK25

25" long rails

LKUMSK36

36" long rails

CLEANER

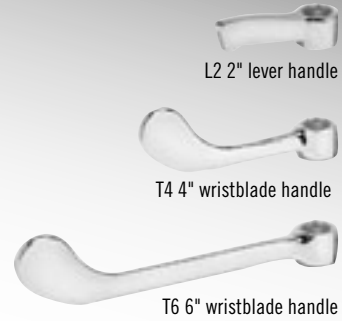

LK34**\$21.00**

- Sink restoration kit
- Assorted abrasives to assist in blending scratches into the finish

COMMERCIAL FAUCETS — FOODSERVICE

8" Centerset, Wall Mount

- Choice of 3 handle options: 2" lever and 4" or 6" wristblade
- Quarter turn ceramic disk cartridge
- Solid brass construction
- 2.2 GPM vandal-resistant aerator standard with .5 GPM insert included
- Chrome finish
- Includes spout swing restriction pin
- Replacement cartridge 45923C for cold and 45924C for hot
- 1/2" NPT female inlets
- NSF/ANSI 61 Certified

DLW	Pot Rack, Double Line
E	Economy Series Sink
EHS	Economy Hand Sink
EWMS.....	Economy Series Wall Shelf
EWT	Economy Series Work Table
FLR.....	Mop Sink
MS	Mixer Stand
RS.....	Rack Slide
RSPB.....	Rack Slide with Plastic Basket
RSSB	Rack Slide with Stainless Steel Basket
S	14" Super Economy Series Sink
SE	11" Super Economy Series Sink
SEHS	Super Economy Hand Sink
SES	Standard Equipment Stand
SLANT	Slant Rack
SLW.....	Pot Rack, Single Line
SLW-S	Pot Rack, Single Line with Shelf
UDT	Undercounter Dish Table
VH.....	Vapor Hood
WMMS.....	Wall Mounted Microwave Shelf
WT	Deluxe Series Work Table

Suffix

BG	Backsplash with Galvanized Undershelf
BS.....	Backsplash with Stainless Steel Undershelf
STG.....	Flat Top with Galvanized Undershelf
STS	Flat Top with Stainless Steel Undershelf

TERMS & CONDITIONS

Pricing: Suggested list prices and product specifications are subject to change without notice. Pricing for U.S. purchase only.

Terms: As standard.

Taxes: All Federal, State and local taxes will be added when applicable.

Limited Warranty:

Warranties vary by product family. Please see website, specification sheet and/or installation instructions for further detail. Warranties do not cover transportation or installation charges. Contact Elkay customer service at (630) 574-8484 for complete details and conditions.

Loss and/or Damage in Transit: Our liability ceases upon delivery of the goods to the carrier at our factory. Claims for damage and/or loss in transit to be made by the consignee against the carrier. We will assist and cooperate in the processing of such claims upon customer's request.

Freight: Prices are F.O.B. factory.

Overpack: For a nominal charge, a sink will be repackaged to reduce damage that could occur during shipment. Overpack is offered for sinks with an overall dimension of 43" x 22" or less, and must be requested when the order is submitted.

Returned Goods: Returns will not be accepted without prior written authorization from Elkay. Handling and reconditioning charges will be assessed as may be required to restore the items to salable condition.

Cancellation: On custom-made or standard models designed to customer's specifications, an engineering charge will be assessed if order is cancelled before fabrication has commenced. Cancellation after fabrication is started will result in a charge commensurate with the extent of work completed.

EDI: Elkay supports the following EDI transaction sets: Inbound Purchase Orders (850), Outbound Invoices (810), Advanced Ship Notice (856), Inbound Remittance Advice (820) and Outbound Order Acknowledgement (855). Please contact Elkay's EDI coordinator at (630) 574-8484 to discuss the list of current transaction set versions and your implementation requirements.

ELKAY®
