

# Neutralize Airbourne Odors With R.T.U Nilomist

**Nilomist** puts proven Nilodor odor fighting strength at your fingertips with a convenient trigger sprayer. Popular **Nilomist** is a ready-to-use odor neutralizer that is a safe alternative to aerosols. Made from Nilium concentrate, economical **Nilomist** is tough enough to eliminate airborne odors caused by smoke, vomit, mold, mildew, urine, paint, food odors and more.

Spray **Nilomist** into the air to eliminate airborne odors, or apply directly to odor causing sources. **Nilomist** can also be used as a light cleaning spray, or as a supplemental boost to mop water. Each case includes three sprayers.
